Donald Morris

As the current Veteran Service Officer I would like to say hello to all my fellow Veteran's, as well as take this time to tell you a little about myself.

I have devoted much of my life to the military and its people. After graduation from Central High School in Columbia, I served four years in the US Army and fourteen years in Army Reserves and National Guard. While in the military, my career specialty was Administrative Specialist. I held eight military MOS's.

I attended College at Troy State, Macon State, Penn State and West Georgia, my course of study was business management and electrical engineering. I am the Junior Vice Commander in the local DAV Chapter #20 and

member of the American Legion, Rotary Club, Legion Riders and Elks Lodge BPOE 2206 in Lawrence County.

I took this position in October of 2014. I have completed all State and Federal exams required to serve each and every one of my fellow veterans. We are now filing our claims electronically which simplifies and speeds up the process. Hopefully this will get you an answer faster.

I have had the privilege of meeting many veterans in this area and look forward to meeting each of you as my plans are to be here for several years. I have plans to continue the good work the past Service Officers began. I have big shoes to fill and look forward to each challenge. I will be putting out information each week to help you all stay updated on the Tennessee Department of Veterans Affairs News Releases.

I would like to thank you all for the service you have done for our great Country and that I am Honored to be your Veterans Service Officer.
